1964 Jaguar XKE Fixed Head

Coupe finished in Wimbledon White with Red vinyl interior. Restoration completed for this auction by Tom and Randee Rocke.

Painted in two-stage Dupont Chroma base in two separate paint applications to give this White color extreme depth and luster. The interior is Red vinyl with matching English wool carpeting giving this car a pleasing yet stunning appearance.

The restoration includes complete rebuild of engine and transmission to original factor specifications. All new; fuel lines and fuel tank, rear leaf springs, front suspension and springs, brakes, lines, cables, cloth wiring harness, electrical components, road speed tires, exhaust system, new door mechanisms and handles, dash with rebuilt original gauges, new steering wheel, new interior, new windshield, door glass and rubber.
